The names and telephone numbers of each manager, the shipping address of each site and any other person(s) authorized to receive commodities must be forwarded to the distributor by fax or email.

In order for the distribution program to be successful, mutual cooperation must exist between the distributor and the recipient agency. We are looking forward to a good year with the distribution program. If you have problems or concerns that you and the distributor can not resolve, please call our office at 502-573-0298 and contact Dan Flaherty, extension 278, or Larry Garriott, extension 267. As always, we are ready to assist you in the successful operation of this program.
